

## Enrichment or Developmental—which program is for ME?

Your child loves to dance, is really enjoying their classes, and has now begun to express a greater interest in dance. You may be wondering if transitioning from the Developmental Stream to the Enrichment Stream is their next step, or perhaps taking additional disciplines while remaining in the Developmental Stream. To help you determine the best fit for your family, please read below.

No matter which program you choose, at Pointflex your child will be taught by the same teachers. We believe that everyone deserves the opportunity to receive a high-quality dance education whether they train one hour per week, or fifteen hours. Pointflex staff are honored to teach all of our dancers, and are eager to support them in achieving their dreams.
